DETAILED ACTION

Information Disclosure Statement

1. The examiner has considered information disclosure statement (IDS) submitted on 15 June 2010.

Allowable Subject Matter

2. The following is an examiner's statement of reasons for allowance:
3. Applicant reviewed the IDS, as noted above, and none of the references read on the allowed claims. The closest reference is seen as Khan et al., USPN 7,321,957. While Khan does disclose a hashed code signature, he does not include at least that the code signature is generated using a code private key. Adding this limitation would not have been obvious for one of ordinary skill in the art, since there is no seen motivation. For at least this reason the instant claims are allowed over Khan.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Conclusion

Any inquiry concerning this communication or earlier communications from the examiner should be directed to JACOB LIPMAN whose telephone number is (571)272-3837. The examiner can normally be reached on M-Fr.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Kambiz Zand can be reached on 571-272-3811. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
